| Science                           | 300 - 250      | 249 - 220     | 219 - 210     | 209 - 200    |
| HS Graduation Rate                | 100.0% - 75.0% | 74.9% - 60.0% | 59.9% - 55.0% | 54.9% - 0.0% |

**Step 3: Use Assurance Standards and Performance Standards Level to Determine Final Accreditation Status**

**Assurance + Performance = Final Accreditation Status ( $A+P=FAS$ )**

| Final Accreditation Status Key                       |                                      |  |
|--|--------------------------------------|--|
| Assurance Standards ( <i>if</i> )                    | Performance Standards ( <i>and</i> ) | Final Accreditation Status ( <i>then</i> ) |
| Level 1  | Level 1                              | = REGULAR                                  |
| Level 1  | Level 2                              | = REGULAR (3 years to remedy)              |
| Level 2  | Level 1                              | = REGULAR (3 years to remedy)              |
| Level 2  | Level 2                              | = REGULAR WITH MINOR DEVIATION             |
| Level 3 in either Assurance or Performance Standards |                                      | = ADVICE                                   |
| Level 4 in either Assurance or Performance Standards |                                      | = DEFICIENCY                               |

## DEFINITIONS

| DEFINITIONS                        |  |
|------------------------------------|--|
| Assurance standards                | The minimum standards of a quality Montana K-12 education.   |
| Performance standards              | Average performance of students in grades 3 through 8 in elementary and grade 10 in high school on state assessments in reading, math, and science. Performance standards for high school also include the graduation rate.            |
| Teaching missassignment            | A Montana licensed teacher assigned to teach a subject for which they are not endorsed or at a level for which they are not endorsed.  |
| Not licensed teacher or specialist | A person assigned in a school as a teacher or specialist who has not completed requirements for appropriate licensure in Montana.  |
| Corrective plan                    | A systematic procedure and timeline for resolving deviations from regular accreditation status. The plan details how the deviation has been resolved or will be resolved prior to the next school year.                                |
| Occurrences                        | The number of years a deviation has been repeated continuously.  |
| Intensive Assistance Process       | A required process for schools in continuous or serious deficiency accreditation status. Such schools have failed to develop or implement an approved corrective plan to remedy accreditation deviations within a designated timeline. |
| Elementary school                  | A school consisting of either kindergarten through grade 8, or kindergarten through grade 6 in a district that maintains a 7-8 school funded at the high school rate.  |
| Middle grades school               | A school that may consist of any combination of grades 4 through 9.  |
| Middle school                      | A 7-8 school that is approved to provide a basic education program that implements the middle school philosophy as defined in ARM 10.55.902(3).  |
| 7-8 school                         | A 7-8 school that is approved for a basic education program that implements a departmentalized philosophy as defined in ARM 10.55.902(4).  |
